A Money-Saving Opportunity in Fashionable Millinery.

In these few words we'll say we have too large a stock for this season of the year. In consequence we have determined upon this sale of high-class millinery, and nothing will be reserved.

In many cases where lots are small, the cuts are a fraction of the original cost.

Coming, as this sale does, right in the midst of the season, every woman and child should avail themselves of this money-saving event. To begin with—

Untrimmed Felt Hats at 25c.

You may have heard of such a price, but you should see these values. Small and large shapes, and come in black, brown and green; \$1.25 is the regular price; to-morrow's price will be..... **25c**

Mourning Hats at \$1.50.

This lot consists principally of All Taffeta Silk Hats, some made more fancy than others, and quite a few trimmed with crepe. In an ordinary way they would sell at \$4.00, which is the regular selling price. To-morrow's price will be..... **\$1.50**

The New Black and Colored Beaver Hats at \$2.50.

The mention of price in this case does not signify the style or value. They are unquestionably the smartest looking lot of Dress and Street Hats ever put on sale. Usually this same grade would sell at about \$10.00. To-morrow's small price will be..... **\$5.00**

Solid Velvet and Silk Hats, 50c

All told, about three dozen. Come in many desirable colors. Some of this assortment were \$3.00 and \$4.00. To-morrow's price..... **50c**
